Into the Light: Transforming Mental Health in Canada

The Mental Health Commission of Canada, Vancouver Coastal Health and Simon Fraser University are pleased to present Into the Light, a national conference on mental health in Canada.

Into the Light will bring together members of the mental health community in Canada representing policy and planning, service delivery, non-governmental service providers, consumers, families and community representatives.

The conference, which will highlight the emerging Canadian National Strategy, will focus on the implementation of the national strategy as well as a general program that will focus on best and promising practices in the areas targeted by the national strategy consultation and plan.

Into the Light convenes November 29 - December 1, 2009 at the Fairmont Hotel Vancouver in downtown Vancouver, British Columbia.

Onsite meeting space is available from Sunday, November 29 through Tuesday, December 1.
